Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

1. Your Amended Year End Report, received 4/14/10, discloses a substantial increase in the amount of receipts from those disclosed on your original report. Please amend your report to clarify why this additional activity was not provided with your original report. (11 CFR § 104.3)

Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
